Little-Known FAFSA Tips and Tricks: *How to Sidestep the Most Costly Errors and Maximize Your Chance of Getting Financial Aid*

Getting a college education is **the most important thing your child can do** to ensure a bright and prosperous future. College graduates earn significantly more than those who don't attend college and they have a higher quality of life as well.

But what does it really take to ensure your child has **the financial aid they need** to attend college? What are the **ticks and tips** to know so you can gain an edge?

Join us Thursday, Jan 31st @ 8:00 pm PST to discover all the secrets

Why Attend This Action Packed Webinar?

- No more **FAFSA errors**, which leads to lost opportunities; colleges and money. Don't let it happen to your child!
- Discover **common mistakes** made on the FAFSA.
- Find out why **time is of the essence with the FAFSA**. When your errors are discovered makes all the difference. Get your application done ASAP.
- You'll have a chance to win **60 minutes of financial planning strategy (\$200 value)** from Felicia Gopaul, CFP. Ask her any question you want and benefit from her 20 year experience. (not restricted to college financial planning)

Plus, you'll have a chance to **win a copy of "My College Decision Navigator"**, a step-by-step handbook for college-bound students and their parents. Designed to simplify the decision making process. (Valued at \$47.00)

This incredible webinar is valued at \$497, but **you can attend free of charge** if you register by January 27, 2013 at midnight PST.

Don't wait – ensure your child gets the college funding they deserve...**Register today!**
