

Four New Children's Books Available for Your Free Review

Thanks for your interest in our offer!

Small Shifts Books & Media is providing a **limited time offer to educators in the U.S. and Canada: A Free download of 4 great new e-books for children.** Small Shifts publishes illustrated children's books that help them live more consciously. Our books help parents teach their children to live their best lives.

We would love for you to take a look at the books and tell us what you think. You'll have the chance to see what some of the hottest new children's titles are and help us to improve school reading programs around the country. And you may want to add them to your curriculum.

You'll Love These New Illustrated Books!

- **Three best selling picture books by Teresa de Grosbois (Grades 1, 2)**
 - ***Jolo's Two Bedrooms*** - Relationship expert and acclaimed children's author Teresa de Grosbois targets the most common challenge facing today's society: families in separation.
 - ***The Presents Present*** – Inside this book you will find an influential story about generosity, compassion, and the potential all children have – to make a difference in the world.
 - ***Fiona's Fortitude*** – From the Small Shifts Series which teaches success and happiness principles to children, targeting the most common challenge children face today: how to transform their fears into success.
- ***Elfolk and the Crystal Caves of Atlantis* by Tina McFadden (Grades 3-5)**
 - Action-packed and highly imaginative, this is an enchanting adventure novel for young readers, revealing the power of our thoughts, expectations and beliefs.
 - Get in on the **sneak preview** before it's published! (July 2010)

Download your **free** e-books **now**. Simply complete the form and you'll get instant access to download the materials.

Get Free Lesson Plans Too

In addition to the books, you can also download **free, ready-made lesson plans** that accompany the books. These plans can be used in a number of different ways to put your students on the right path for learning.

We know you're passionate about your student's education. So are we. If the hundreds of positive reviews that we receive are any indication, we think your students will **fall in love with these books.**
