

New sales letter: PR video/photography services for local government and businesses

Dear City,

As a busy municipality, there are a number of **local events** that happen every week: press conferences, board meetings, special community events and more.

With city planning, budget issues, staffing concerns and other issues, there's always a lot to manage for these events.

And of course, **taking photos** and **capturing videos** of these events is important for any city.

But do you have an *affordable, professional* photographer? Are you *currently utilizing video*?

Dildine Media provides PR photo and videography services for a number of local city governments. Everything is captured with the highest quality professional equipment and in a professional manner by our experienced photo and video team.

Why should you consider Dildine Media for your PR photo and videography needs?

- Preserve events with all the sights and sounds for historical purposes
- Keeps a visual and audio record of all meetings
- Highlights the features and benefits of your municipality
 - Use in advertising, developing your tourism industry and more
- Reduce your photography, video, marketing and PR budgets
- Reduce payroll, workman's compensation costs and benefits
- Over 2000 videos produced in 10 years, hundreds of photo shoots
- High quality, high definition digital video and photo production
- We are your one stop shop for all video and photo needs
- Satisfaction guaranteed

Dildine Media is the leading video and photo production firm in Chicago.
